Ms. Patricia Derian
Assistant Secretary for Human Rights
Department of State
Washington, D.C. 20520

Dear Secretary Derian:

We are writing to you on behalf of many concerned citizens of Dallas who are troubled by the current abuse of human rights in Argentina.

We write to you as a friend, for we are fully aware of your activities and commitment on behalf of the many people who have "disappeared." Specifically, we appreciate the heroic efforts that you made in helping to secure the freedom of Jacobo Timerman. We ask that you continue to press our Embassy in Buenos Aires to request of the Argentinian government a thorough accounting of the individuals who have been detained.

In particular, we are deeply concerned about Padillo Tiburcio, Jorge Arrieta, Jose Daniel, Alejandra Jaimovich, Ruben Haber, Patricia and Adriana Hosso, Isaac Rudnik, Rafael Roy, Alberto Schprejer, Dario Bedne, Daniel Rus, Debora Benshoam, Abraham Hochman, and Adolfo Chorni.

Attached, please see a petition containing the names of 391 people who have joined with us in our request to you.
